EUR2,420,000

Ref: TA11829

Property Description

An architectural statement overlooking the Mediterranean, this newly built 2025 villa presents contemporary luxury living in the sought-after Bellamar area of Castelldefels. Designed by a renowned Catalan architect, the property combines refined aesthetics with functional design, offering privacy, light, and seamless indoor-outdoor living. Set on a 650 m plot with 331 m of built space, the villa features five spacious bedrooms and three bathrooms. The main living area is designed in an open-plan layout, integrating a bespoke kitchen fitted with high-end Siemens appliances. Floor-to-ceiling windows enhance natural light throughout the home while framing uninterrupted views of the Mediterranean. The exterior spaces are equally considered, with a private swimming pool, multiple terraces for dining and relaxation, and a landscaped garden designed for low maintenance and discretion. Additional features include underfloor heating, advanced climate control, acoustic insulation, and a comprehensive security system.
